

Planning conditions applying to Power planes/SLMGs/Self-sustainers

- That except in emergency, there shall be no powered flying over Shenington/Alkerton, Epwell, Tysoe or Upton House, in accordance with the exclusion areas identified on the approved “Noise Avoidance” chart.
- That no more than 25 power movements by tug-tow glider launches or other powered aircraft/gliders shall take place on any day throughout the year.
- There shall be no take-offs of powered aircraft outside the hours of 09:00 – 19:00 and there shall be no landings outside the hours of 09:00 – 21:00 on any day

Noise Avoidance

Power traffic already routed away from areas of likely noise.
Intention to limit operation of self-sustaining gliders in close proximity to airfield
